

## **Ambassador Gerald M. Zackios Message on Veterans Day**

Today on Veteran's Day, we honor our veterans who serve in the United States military. We thank you for your service and contributions to world peace and security.

To our sons and daughters from the Marshall Islands who are serving, we thank you for your exemplary service and the sacrifices you display every day to make the world a better place.

As we honor our veterans, let us also remember all those who have lost their lives and thank them and their families for their sacrifices.

Kommol tata and God bless you today, and always.
